Btc25 aims to become a representative meme token. It's just a fun token that doesn't guarantee any value, but that's why it has no limits. The Mem Btc25 token was launched by a group of mining companies on the Solana blockchain, which mines bitcoin and other cryptocurrencies, is a future that transcends traditional borders and creates an important part of the daily lives of people and miners. # 01 Abstract

## Little Meme. Big Dream. Welcome to btc25...

btc 25 was created with the aim of becoming a decentralized meme project with a true purpose. The mission of bsc25 is to introduce popular cryptocurrency concepts into mass production. Unlike older, comparable projects, btc 25 introduces owners to the concepts of a new generation, decentralized exchanges, gambling mining, artificial intelligence and much more.

The btc 25 meme promotes healthy and widespread use and decentralization of the project.

# 02 Values

## TRANSPARENCY & COMMUNITY

btc25 is ownerless, fully decentralized and supported by its community of enthusiasts. Free, open and frank communication is encourage within the community supporters so that everyone willing can be informed and even participate in every step of btc25's growth! Multiple, independent, free group efforts in development, community self-management and more are strongly encouraged!

## TRUST

In the cryptocurrency market, Trust is paramount. That means full transparency not only in the community support and development, but also in any security effort. Examples include top-grade audits of btc25's code, and liquidity tokens being burnt to strongly reduce any risk of malicious behavior.

# 03
